Gina, it looks like you are coordinating reports to the RRT. Please add the requested contacts to your list for the GKM. Thanks, lw

Hi Laura:

I am not sure if you are the POC for the Region 8 RRT meetings surrounding the contamination of the Animas River. Our team is responsible for supporting tribes during all hazard emergencies throughout the United States with my primary area of coverage being the Southwest. I've been in contact with Navajo Nation and the Southern Ute Tribe regarding the incident.

Would you be able to add myself and our chief, Sid Caesar ([Sid.Caesar@bia.gov](mailto:Sid.Caesar@bia.gov)) to the distribution listing for the RRT reports and briefings specifically on this incident?

Thanks Laura.
